**Re: *Jefferies LLC v. Jon A. Gegenheimer*, CA No. 1:19-cv-03147**

Dear Judge Buchwald:

Pursuant to the Court's Individual Practice Rule 2.H.2, Jefferies LLC submits this letter motion for permission to file redacted documents.

Jefferies is simultaneously filing its Supplemental Application for Fees, Costs, and Interest in this matter. In support of this application, Jefferies is submitting contemporaneous records evidencing additional attorneys' fees and costs incurred since it filed its original Application and supporting Reply in July 2020, in the form of invoices for the services of the law firm of Buchanan Ingersoll & Rooney PC. Jefferies respectfully requests permission to file lightly redacted copies of these invoices. The vast majority of the redactions are for the purpose of protecting privileged communications and attorney work product. In addition, a small number of entries have been redacted in full to avoid duplication. These fully-redacted entries, which were previously included in Jefferies' original Application, are not included in the calculation of new attorneys' fees and costs being submitted in Jefferies' Supplemental Application. The proposed redacted documents are attached as Exhibit A to the Second Supplemental Declaration of Andrew J. Shapren in support of Jefferies' Request for Fees and Costs, and are being filed simultaneously with this letter motion as Exhibit A.

Two courtesy hard copies of this letter motion and Jefferies' Supplemental Application for Fees, Costs, and Interest, with all supporting documents, are enclosed.

Respectfully yours,

/s/Andrew J. Shapren
